DECISION ON  
:  
PETITION TO REVIVE  
:  
UNDER 37 CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 17 April 2007 in the above-captioned application is hereby **GRANTED** as follows:

Applicant failed to pay the basic national fee by the thirty month period. A Notification of Abandonment was mailed on 27 October 2006.

Applicant's statement that the "entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

The required petition fee of \$750 was also paid. Thus, the requirements of 37 CFR 1.137(b) are satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

A copy of the international application and English translation thereof was submitted on 23 March 2006. A review of the declaration executed by the inventor indicates that it is in compliance with 37 CFR 1.497(a) and (b). However, the \$65 surcharge for filing the declaration and the \$130 processing fee for filing the English translation of the international application after thirty month period are required.

This application is being forwarded to the United States Designated/Elected Office for further processing.
